***OUTER BURIAL CONTAINER SELECTION***

*Prices are effective August 1, 2023 and are subject to change without notice.*

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

The following cemeteries require that a permanent Outer Burial Container be used: Sunset Memorial Park, Mission Burial Park, Mission Burial Park North, San Fernando II, San Fernando III, Chapel Hill Memorial Park, Meadowlawn Memorial Park, Restland Memorial Park, Lockehill Cemetery and Holy Cross Cemetery.

Southern Memorial Park Cemetery requires an Outer Burial Container. Outer Burial Containers can only be purchased through their cemetery.
